BEITEN BURKHARDT advises cloud gaming provider RemoteMyApp on MagentaGaming contract with Deutsche Telekom

Frankfurt, 28 August 2020 – The international commercial law firm BEITEN BURKHARDT has advised cloud gaming provider RemoteMyApp on the MagentaGaming contract with Deutsche Telekom. RemoteMyApp is a provider of cloud gaming technology and gaming content which powers Deutsche Telekom's newly released cloud gaming platform MagentaGaming. The launch of MagentaGaming was announced on the 25th of August, ahead of the Gamescom 2020 starting on the 27th of August.

MagentaGaming is the telecom operator's own cloud gaming platform, which will allow millions of subscribers to access a seamless online gaming experience instantly. It is now officially available and offered as an over-the-top (OTT) media service in Germany. The streaming technology behind MagentaGaming is provided and maintained by RemoteMyApp. RemoteMyApp is a Poland-based start-up offering cloud gaming technology and gaming content to businesses worldwide.

Cloud gaming technology is considered one of the major upcoming trends in video games. It makes use of cloud servers to run games that are streamed directly to users' existing devices thereby allowing them to enjoy an excellent gaming experience without the need to invest in expensive gaming hardware or initial data-consuming game downloads.

BEITEN BURKHARDT advised RemoteMyApp with regard to the contracts with Deutsche Telekom regarding RemoteMyApp's technology and content.
