Kamil Karibov elected chairman of the Real Estate and Construction Committee of the Russian–German Chamber of Commerce

On 2 April 2021, the Construction and Real Estate Committee of the Russian–German Chamber of Commerce held its latest meeting, at which elections for new leadership were conducted. Kamil Karibov, PhD, a partner at BEITEN BURKHARDT Russia, was chosen to become the new chairman of the Committee, while Olga Drabkina of Sandler&Company and Mikhail Grigoriev of THOST Russia Projektmanagement were elected as vice-chairs.

According to the new leadership, digital transformation in the field of construction will be one of the key areas of the Committee's activities.
