Pravo.ru-300: BEITEN BURKHARDT's Moscow office breaks into Group 1 for the first time in the Russian rating of law firms

The results of the Annual Rating of Law Firms at Federal Level Pravo.ru-300 in Russia were published on 6 December 2019. This year BEITEN BURKHARDT'S Moscow office breaks into Group 1 for the first time in the category Compliance. In the Intellectual Property sector we were ranked in Group 2, while in Labour and Migration Law, Antitrust Law and Commercial Real Estate/Construction we joined Group 3. In Corporate Law and Criminal Law, BEITEN BURKHARDT was included in Group 4.

For your information: the rating Pravo.ru-300 has been researching the Russian legal market for 10 years. It is an established benchmark for classifying the level and professionalism of a law firm on the market for legal services. Projects implemented in the years in question, client feedback, and the price/quality ratio serve primarily as the basis for the research.
